

Kayak Fishing Safety Course

The UK's original kayak fishing safety course
run by kayak anglers – for kayak anglers

Learn how to:

- ✓ Anchor a kayak
 - ✓ Use a drogue
 - ✓ Paddle better
 - ✓ Self rescue
 - ✓ Rescue others
 - ✓ Handle fish safely
 - ✓ Rig your kayak
 - ✓ Choose the right kit
 - ✓ Put together a paddle plan
- and much more...**

Learn New Skills, Be More Confident On The Water, Stay Safe, and Have Fun!

The course is run by two of the most experienced kayak anglers in the UK who are both licensed UKCC level 2 coaches with the Angling Development Board and 1st4sport.

This one day course is only £46 for Angling Trust members and £82 for non members, offering outstanding value for money.

Complete our kayak fishing safety course as the first step to becoming a coach yourself. Turn your sport into a career or volunteer your skills to angling clubs and youth groups

For more information on equipment needed and course dates visit www.anglingtrust.net or call 0844 77 00 616 (Option 1)

"This course is a must for the novice paddler and a good refresher for those with more experience. I found this course both fun and informing on many aspects of kayak angling from self rescue, paddle techniques, anchoring right through to fish recognition. It is a day well spent. Paul and Simon do a great job and you never know - it may save your life."

As well as a reduced rate for the kayak course Angling Trust membership gets you:

- £5m kayaking insurance cover
- Help developing angling access
- Local and national representation
- Competitions
- Newsletters
- Email updates
- Tackle and kit discounts
- Access to members' forum on AnglersAfloat

Our Mission:

- ✓ Promote angling
- ✓ Campaign for anglers' rights and the environment
- ✓ Lobby governments and agencies
- ✓ Protect our waterways and marine environment
- ✓ Develop angling as a sport for young and old
- ✓ Support angling interests

Palm Equipment – Since 1979

Palm have always been at the front of developments in skills and safety which is why we have partnered with them for our course program. Your instructors will show you first hand the equipment Palm provide and how best to choose the right kit for you.

For information on their range see www.palmequipmenteurope.com
