

MASONIC FISHING CHARITY

THE NEW DEVON BRANCH NEEDS CASTER/HELPERS

Freemasonry in the community

We run fly & coarse fishing events free of charge for people with mental or physical disabilities, the disadvantaged and those who have suffered trauma.

A caster/helper is provided for every participant to assist them in all aspects of fishing including, casting, retrieving, hooking and landing the fish.

A barbecued lunch is provided for all participants and helpers free of charge.

At the end of the day certificates of achievement are issued and prizes awarded to biggest fish, best caster etc.

So if you're interested (we don't just need fishermen) in helping others to enjoy a wonderful day out - please call.

**For further details contact Graham Snell
07900 220 390 or gssnell@aol.com**
