

The River Exe and Tributaries Association is providing tuition at the Exe Valley Fishery, Exebridge, on **Monday 5 August 2013**.

Thanks to a bequest from Robin Bailey, a founding supporter of RETA, we are able to provide this opportunity to young people free of charge. You will learn the basics of fly casting and fishing for trout under the supervision of experienced and fully qualified instructors registered with the Angling Trust. This will include the opportunity to fish for rainbow trout which you can keep!

It is important to register and return your confirmation details as soon as possible as numbers are limited. For further information phone Richard Horrocks on 01884 820865 or email: richard.horrocks1@btinternet.com
